

Shakespeare's Pizza

Frozen Fundraisers Department

A fundraiser that WORKS

Sell Shakespeare's Pizza... something that your customers actually want.

This is the same Shakespeare's Pizza that you get in the restaurants, that has been at the top of the polls for years, that you know and enjoy. It's the same quality, the same ingredients, and the same recipe. The only difference is that it goes into a freezer instead of an oven.

ALL 12" PIZZAS: Your Cost: \$5.00

Sell them for the suggested retail price of \$6.49, like the grocers do, and clear \$1.49 per pie. Or, go to \$10 (chart at right) and make \$5.00 each. Pricing us up to you. It's a fundraiser... you can get away with it!

- Prizes for the Highest Seller.
- We supply all the sales materials.
- You receive your funds UP FRONT.
- Your customers won't just toss this one in the trash.
- We make it easy!
- Frozen 12 " Pizzas Available: Double Cheese, Pepperoni, Sausage and Vegetarian.

We've all been there... the cute kid is at the door, selling wrapping paper or magazines or any manner of things we really don't want or need, but we buy it anyway to support the cause. What if it was something that we really liked and wanted and were glad to buy...?
